

# **EROZEN<sup>®</sup> SGC**

A potent, safe, natural aphrodisiac

## **BENEFITS**

- Corrects physiological and psychological causes of erectile dysfunction(ED)
- Enhances nitric oxide availability to penile smooth muscles and improves penile blood circulation
- Stimulates endogenous production of testosterone
- Improves libido and sexual vigour
- Reduces stress and anxiety
- Excellent antioxidant
- Free from side effects on long term use, no priapism

## **PRODUCT CONCEPT**

Erozen is a highly effective natural aphrodisiac (Vajikar) having potent herbs to correct erectile dysfunction, improve libido, sexual behaviour, performance and delay premature ejaculation

## **MODE OF ACTION**

### **ENHANCES NITRIC OXIDE AVAILABILITY TO PENILE SMOOTH MUSCLES AND IMPROVES PENILE BLOOD FLOW**

Withania somnifera<sup>1</sup> (Ashwagandha), Asphaltum<sup>5</sup> (Shilajit), Hygrophila spinosa (Talamkhana)

### **PROVEN SPERMATOGENIC AND APHRODISIAC**

Tribulus terrestris<sup>3</sup> (Gokshura), Withania somnifera (Ashwagandha), Hygrophila spinosa (Talamkhana), Chlorophytum species (Safed musli), Curculigo orchoides (Kali Musli)

### **POTENT LIBIDO ENHANCER**

Mucuna pruriens<sup>2</sup> (Kaunchbeej), Myristica fragrans<sup>4</sup> (Jaiphal), Asphaltum<sup>5</sup> (Shilajit), Orchis latifolia (Salam Misri)

### **ADAPTOGENIC AND ANXIOLYTIC**

Withania somnifera<sup>1</sup> (Ashwagandha), Myristica fragrans (Jaiphal)

### **PREVENTS PREMATURE EJACULATION**

Withania somnifera<sup>1</sup> (Ashwagandha), Myristica fragrans<sup>4</sup> (Jaiphal), Hygrophila spinosa (Talamkhana)

### **STIMULATES ENDOGENOUS PRODUCTION OF TESTOSTERONE**

Mucuna pruriens<sup>2</sup> (Kaunchbeej), Tribulus terrestris<sup>3</sup> (Gokshura)

### **EROZEN COMPOSITION**

**Each soft gel capsule contains extracts in mg of:**

Kali Musli ( <i>Curculigo orchioides</i> )	120.00mg
Ashwagandha ( <i>Withania somnifera</i> )	80.00mg
Kaucha Beej ( <i>Mucuna pruriens</i> )	80.00mg
Gokshura ( <i>Tribulus terrestris</i> )	25.00mg
Safed Musli ( <i>Chlorophytum borivillianum</i> )	50.00mg
Salam Misri ( <i>Orchis latifolia</i> )	16.75mg
Shuddha Shilajit ( <i>Asphaltum</i> )	10.00mg
Pippali ( <i>Piper longum</i> )	8.33mg
Talamkhana ( <i>Hygrophila spinosa</i> )	5.00mg
Muskdana ( <i>Abelmoschus Moschatus</i> )	2.50mg
Jaiphal ( <i>Myristica fragrans</i> )	2.10mg

### **INDICATIONS**

- Erectile dysfunction (ED)
- Premature ejaculation
- Loss of libido

### **DOSAGE**

**Adult:** 1-2 SGCs b.i.d. for minimum 3 weeks for best results or as directed by the physician
